

# Exemption Application Filing

If your filing for:

- **RE-APPLICATION OF RELIGIOUS ORGANIZATIONS EXEMPTIONS:**

Currently the Chief Appraiser is requesting religious organizations to re-apply for their exemptions if their exemptions have been on the appraisal roll for 10 years or more. Once a religious organization has qualified for the exemption they are not required to file an annual application but must re-apply if requested to do so by the Chief Appraiser. We are asking religious organizations with exemptions for 10 years or more to re-apply in an effort to verify the properties still qualify for the exemption. If your organization has been requested to re-apply, please file your application or contact the Appraisal District. If you need additional information, please call 242-2427 by the deadline.

- **OVER SIXTY-FIVE EXEMPTION:**

Owners of property with a residential homestead who turn 65 years of age this year are entitled to an additional exemption. If you turn 65 any time during this year, you are entitled to the exemption for the entire year. The application to file is located on our website under forms/Exemption Application Forms/Residential Homestead Exemption. If you need additional information please contact us at 242-2432.
