HISTORICAL BACKGROUND

The Bexar Appraisal District (“District”) is a political subdivision of the State of Texas responsible for property tax appraisal functions for taxing jurisdictions in Bexar County. SIC Code is 9311.

| | | |
|----------|-------------------|-------------------------------------|
| Medical: | United Healthcare | January 1, 2024 – Current |
| | BCBS of Texas | January 1, 2019 – December 31, 2022 |
| | United Healthcare | January 1, 2016 – December 31, 2018 |

The District pays the full cost of employee only medical coverage of Plan 1 for individual full-time employees employed at least 30 hours per week. Dependent coverage is available to employees through payroll deduction. The premium equal to Plan 1 Employee Coverage is applied in full to any employee wishing to enroll in Plan 2. Example: Employee choosing Plan 2 Employee/Spouse receives a contribution of \$607.02 (equal to Plan 1 Employee Only Premium) toward the total cost of Employee/Spouse premium.

Please be aware of SB 654 relating to continued health coverage for employees of certain political subdivisions. This bill amends various sections of the government code dealing with health insurance for government retirees. The bill entitles employees of various political subdivisions, including those of appraisal districts for counties with populations of 75,000 or more (which applies to Bexar County, Texas) to receive continuing coverage under the District's health coverage plan when they retire unless they are covered by another plan. The political subdivision may substitute Medicare supplemental health benefits coverage for those who are eligible. The retiree may choose to cover all, some, or none of the persons who were covered by the policy at the time of retirement. Bexar Appraisal District complies with SB 654. There are 20 employees of the Bexar Appraisal District who are eligible for retirement in 2024.

BENEFIT SPECIFICATIONS

It is the intention of Bexar Appraisal District to maintain, as much as possible, the current benefit levels. However, it is understood that proposers may not be able to match current benefits in total. Bexar Appraisal District will consider and evaluate alternative proposals. Please base your proposal on the current level of benefits as closely as possible. **Clearly indicate any deviations in benefits in your proposal.** Carriers are encouraged to be creative and to present their most competitive coverage and pricing proposal utilizing the current benefit structure as a basis.

RATE GUARANTEE

Bexar Appraisal District requires a minimum one (1) year rate guarantee.
